

Student Development Action Plan

Name _____

How can you improve your high school experience? Be more involved? Have less stress? Have more friends? Be more successful in your classes? Have a plan for after graduation? Have someone to talk to? Take better care of your mind and body? Or something else?

Write down two things that would improve YOUR high school experience.

① _____

② _____

Now think about what you can do to help make these improvements happen. Write down specific steps for each to create your Action Plans.
