

## Info About You

To choose a career that's going to be right for you, think about your interests, talents, and abilities.

These questions will help you get started.

1. What courses do you like the most? \_\_\_\_\_  
\_\_\_\_\_
2. What activities or hobbies do you enjoy? \_\_\_\_\_  
\_\_\_\_\_
3. What talents or skills do you have? \_\_\_\_\_  
\_\_\_\_\_
4. Do you want a career that requires:  
 1 year (or less) of education after high school  
 2 to 4 years of additional education
5. Which do you like working with the most?  
 1) people (working with and helping people)  
 2) things (activities using objects or tools)  
 3) information (desk-type activities)
6. What's important to you in a career (e.g., money, working outside, job security, travel)? \_\_\_\_\_  
\_\_\_\_\_

Look over your responses, and think about the kinds of careers that might be right for you.
